IT IS A SUMMER of ADVENTURE at LIFESPAN

LifeSpan's Summer Camp programs offer the same quality experience youth receive during the school year with the same experienced and caring staff but with a summer twist that includes water fun, field trips, special guests, specialty camps and exciting themes. Weeks will rotate back and forth so they are getting content from specialty camps each week. Specialty camps are not held on field trip days, though the daily activities will still be provided. Activities will be based on the weekly themes for the week.

Dear LifeSpan Parents,

This letter is to assure you of our concern for the safety and welfare of children attending LifeSpan. Our Emergency Plan, which is located at each facility, provides for complete response to all types of emergencies. Depending on the circumstance of the emergency, we will use one of the following protective actions:

- Immediate evacuation: students are evacuated to a safe area on the grounds of the facility in the event of a fire, etc.
- In-place sheltering: sudden occurrences, such as weather or hazardous materials related incidents, may dictate that taking cover inside the building is the best immediate response.
- Evacuation: total evacuation of the facility may become necessary if there is a danger in the area. If requested by local authorities, children will be taken to a relocation facility as follows.

INDIVIDUALIZED EDUCATION PLANS (IEP) & INDIVIDUALIZED FAMILY SERVICE PLANS (IFSP) INFORMATION SHEET

Because of the diverse set of needs of the children in our program, it is important to gather as much information about the best ways to educate each child. IEP's and IFSP's are created by service providers working with children with special needs and include this information. The Keystone STARS Performance Standards therefore require each early learning provider to request copies of IEPs and IFSPs for the children in their care. Because of the importance of the IEP/IFSP to a child's learning, the program should have a copy before the child begins to attend, if possible.

The information found on an IEP/IFSP is protected by privacy laws including the Health Insurance Portability and Accountability Act (HIPAA). Releases of information may also be required to speak to members of a child's treatment team. Professional development regarding privacy issues, and HIPAA in particular, is highly recommended.

Your child's growth and development is measured with developmental assessments. If your child currently has an IEP/IFSP, it would be beneficial to share a copy of this plan with us so we can work together to ensure that the guidelines are put into practice. You do not have to provide this information if you do not wish to do so.

- I am providing a copy of my child's IEP or IFSP.
- I am not providing a copy of my child's IEP or IFSP
- This is not applicable to my child.
