## IT IS A SUMMER of ADVENTURE at LIFESPAN

LifeSpan's Summer Camp programs offer the same quality experience youth receive during the school year with the same experienced and caring staff but with a summer twist that includes water fun, field trips, special guests, specialty camps and exciting themes. Our camps provide a little bit of everything in the comfort of the familiar school setting. Campers will make new friends, learn new skills, and enjoy activity filled days all summer long!

We help children develop new skills and interests, interact in positive ways, and engage in healthy lifestyles with strong adult role models. We are sure your child will enjoy his or her experiences at LifeSpan's Summer Camp. Summer is a time for children to discover how to become and stay active and develop healthy habits. The benefits are far greater than just physical health. Whether it is gaining confidence or connecting with others, LifeSpan's Summer Camp is about building the whole child, from the inside out.

Summer camps at LifeSpan share one thing: They are about friendship, team building skills and discovery. Children have the opportunity to explore nature, find new talents, try new activities, gain independence, and make lasting friendships and memories that will last a *LifeSpan*.

### *Hours of Operation*

- We are open from 6:00am-6:00pm
  - If you cannot make it by 6pm please make sure you have arranged for alternate pick up for your child. Person picking up must be on the emergency contact form. Late fees of \$1.00 per minute will apply after 6pm.
- Camp Hours: 9:00am-4:30pm. During these hours, children will be involved in different activities and centers based on the weekly specialty camp and age groups.
- Specialty camps run daily when each grade group focuses on specific interests for a period of time during the day. Students will focus on two specialty camps per week. Weeks will rotate back and forth so they are getting content from two specialty camps each week.
- ***\*\*Please plan to arrive at camp no later than 9:00am for camp roll-call and group activities.***
  - Groups may be leaving camp to go on walking excursions or outside activities. Children may need to be dropped off at a separate location to join their group if dropped off past 9am.

### *General Information*

- You will need to provide proof of a purchased pool pass prior to starting camp
- We provide care to children ranging in grades Kindergarten and up through 8<sup>th</sup> grade.
  - Campers must have completed Kindergarten in June 2019
  - Campers are grouped for activities based on their completed grade.
- Sneakers must be worn at camp at all times; children can bring flip flops and/or sandals to the pool.
- Each camper will receive a camp T-shirt during their first few weeks of camp. These shirts are worn when attending a field trip.
- Breakfast, morning snack and afternoon snacks are provided daily at no additional cost!
- Packed lunches are required; no glass, nothing microwavable or that needs heating.
- Children are recommended to pack a labeled water bottle daily.
- Children must supply their own sunscreen, labeled. Sunscreen will stay in a bag with their teachers throughout the day.

- If you have a younger child in camp, it is a good idea to pack a change of clothes in case of an accident.
- Please DO NOT bring toys from home, including electronics and cell phones. LifeSpan is not responsible for lost or stolen items. Children will resume responsibility for any items brought to camp.
- LifeSpan Summer Camp reserve the right to modify activities, the daily schedule, special events, and location based on weather conditions, facility availability, and in response to School District Energy Saving Programs.

#### ***Pool Information***

- The children walk to the local Quakertown Community Pool Monday, Tuesday, Wednesday and Friday, weather permitting. We may attend the pool some Thursdays with the children that stay back from the field trips if the lifeguards are available. Attached is a map of the route that is taken.
- **Pool passes are a required part of attending our camp as we go to the pool daily. Lifespan families will receive a 15% discount on their membership. (Choose Lifespan Summer Camp Option on the Parks and Recreation Website)**
- NEW\* You can sign-up for and pay for your pool passes electronically by going to the [Parks and Recreation Website](#).
- Please note that paper pool pass applications must be taken to the Quakertown Community Pool or the Quakertown Borough. LifeSpan does not accept these applications. You can find their application at the [Quakertown Borough Website](#). Pool registration will open on April 2<sup>nd</sup>.
- Students will take a walking trip the first week of a camp to the pool to meet with the pool manager to go over rules and regulations of the public pool. Children will not go swimming until the pool rules have been reviewed.
- Please make sure your child/children have their pool pass or money for entering the pool daily. Camp staff will hold on to these passes for the duration of camp so they are not forgotten unless other arrangements have been made with the counselors.
- Please pack a towel, swimsuit, sunscreen, and plastic bag for wet clothes daily.

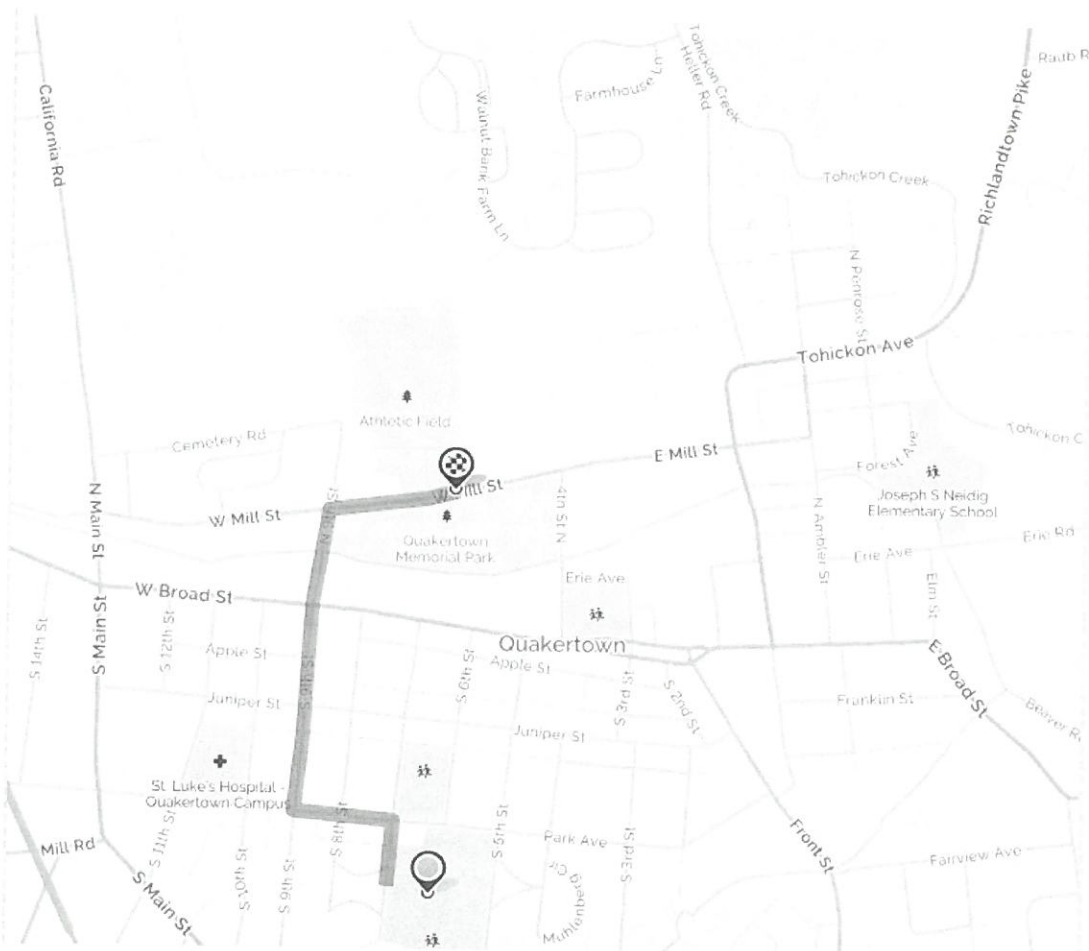

- It is asked that your child comes to camp with their swimsuit on and a layer of sunscreen pre-applied for easier and quicker rotation throughout the day.

## Specialty Camps (10:00am-11:00am)

We will be continuing the use of specialty camps this year. Specialty camps are when each grade group focuses on specific interests for a period of time during the day. Students will stay in their grade groups and each grade will focus on two specialty camps per week. Weeks will rotate back and forth so they are getting content from two specialty camps each week. Specialty camps are not held on field trip days, and instead the groups will have the option of free choice to pick the center they'd like to work in for the day. Activities will be based on the weekly themes for the week.

## BILLING PROCEDURES

If you are a returning family, and have an outstanding bill, you may not start camp until the balance is zero.

Registration fees are non-refundable. You will be charged a yearly \$50 registration fee per child. A security deposit is due for all enrollments prior to their start date. Your deposit will be refunded or used for your child's last week at LifeSpan, unless it is needed in the event your tuition is not paid. The security deposit is equal to two week's worth of tuition, based on your child's schedule, to be used as your first and last weeks payments.

If payment is not made or a schedule organized with LifeSpan's billing office is not created, suspension until full payment is made will be required.

Care will be suspended for any family accruing a camp debt of \$200 until full payment is made.

Field trips must be a separate payment from tuition and registration fees. Field trips payments must be paid in full by May 24, 2019 in order for your child to attend field trips. Field trip payments are non-refundable and non-transferable.

You will be billed your weekly amount in your signed contract on Monday. Any additional days outside of your contract are billed at the drop-in rate. Payment is expected for all days contracted **regardless of absence** due to illness, vacation, holiday or weather conditions. Payments are securely processed electronically through Tuition Express. We strongly recommend that all families use Tuition Express as their payment method in order to participate in any LifeSpan programs.

Tuition Express offers two methods of payment:

- Weekly or monthly withdrawal from a checking or savings account
- Weekly or monthly to a debit or a credit card

Cash and checks are also accepted as weekly forms of payment. Checks can be made payable to LifeSpan.

By signing below, I acknowledge and accept the billing definition of my contracted agreement as well as agree to the billing procedures outlined above.

## Day Care You Can Trust For Children.

Dear LifeSpan Parents,

This letter is to assure you of our concern for the safety and welfare of children attending LifeSpan. Our Emergency Plan, which is located at each facility, provides for complete response to all types of emergencies. Depending on the circumstance of the emergency, we will use one of the following protective actions:

- Immediate evacuation: students are evacuated to a safe area on the grounds of the facility in the event of a fire, etc.
- In-place sheltering: sudden occurrences, such as weather or hazardous materials related incidents, may dictate that taking cover inside the building is the best immediate response.
- Evacuation: total evacuation of the facility may become necessary if there is a danger in the area. If requested by local authorities, children will be taken to a relocation facility as follows.

If yes, LifeSpan must be provided with a copy of the most recent order and all amendments thereto. The orders of the court will be strictly followed. In the absence of a court order on file with LifeSpan, both parents shall be afforded equal access to their child as stipulated by law. LifeSpan cannot, without a court order, limit access of one parent by the other parent, regardless of the reason.

## INDIVIDUALIZED EDUCATION PLANS (IEP) & INDIVIDUALIZED FAMILY SERVICE PLANS (IFSP) INFORMATION SHEET

Because of the diverse set of needs of the children in our program, it is important to gather as much information about the best ways to educate each child. IEP's and IFSP's are created by service providers working with children with special needs and include this information. The Keystone STARS Performance Standards therefore require each early learning provider to request copies of IEPs and IFSPs for the children in their care. Because of the importance of the IEP/IFSP to a child's learning, the program should have a copy before the child begins to attend, if possible.

The information found on an IEP/IFSP is protected by privacy laws including the Health Insurance Portability and Accountability Act (HIPAA). Releases of information may also be required to speak to members of a child's treatment team. Professional development regarding privacy issues, and HIPAA in particular, is highly recommended.

Your child's growth and development is measured with developmental assessments. If your child currently has an IEP/IFSP, it would be beneficial to share a copy of this plan with us so we can work together to ensure that the guidelines are put into practice. You do not have to provide this information if you do not wish to do so.

- ☐ I am providing a copy of my child's IEP or IFSP.
- ☐ I am not providing a copy of my child's IEP or IFSP
- ☐ This is not applicable to my child.
